Grundversioner - Internet

SharePoint Server 2010 for Internet Sites, Enterprise

- Server licens

SharePoint Server 2010 for Internet Sites, Standard

- Server licens, endast en domän

SharePoint Foundation 2010

- Windows Server External Connector

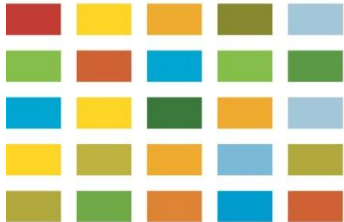

Internet licenser...

When using SharePoint Server 2010 for Internet Sites to license external-facing scenarios, you need a license on **all servers** that will be used for external content, regardless of farm configuration or if users are directly accessing the server (**staging**, application, front-end, or index).

KLIENTAPPLIKATIONER

SharePoint Designer 2010

■ GRATIS

SharePoint 2010 Workspace

- Finns i Office 2010 Professional Plus

Visio 2010

- Visio 2010 Premium behövs för att skapa Workflows

Office Web Applications

- Fungerar tillsammans med alla SharePoint versioner
- Kräver en Office 2010 licens
- Distribueras via volymlicensiering

For business use, Office Professional Plus and Office Standard 2010 licenses will each include access to the Office Web Apps. A customer will then be able to run the Office Web Apps on SharePoint 2010.

For personal use, Office Web Apps will be available as a free ad-supported service to consumers via Windows Live
